The world doesn't stand still. And neither do you. Every challenge is an opportunity to try something new. Be curious. Keep pushing forward.

It's the way we live too. SEAT is a brand born in Barcelona. Inspired by colour and light. Fuelled by creative energy and optimism. We're here to make it easier for you to move the way you want to. So, where shall we go?

Where to next?

Our global range of cars and product specifications vary from country to country. Please, visit your local SEAT website to know more about the product offer available for you.
At SEAT we believe that moving should be effortless.
For everyone.
Cars that you want to drive because they look great and feel even better. Large SUVs, eHybrids. Electric scooters and bikes. Mobility solutions to make moving through your city smarter, brighter. More enjoyable. And above all, easier.

Moving made easy.

Your Alhambra.

Whatever the size, every family needs backup. Safety, comfort and technology, with zero compromises. The little things that make a big difference. Because these aren’t just roads; they’re memories. The SEAT Alhambra. Get ready to turn journeys into stories.

The memories start here.

Our global range of cars and product specifications vary from country to country. Please, visit your local SEAT website to know more about the product offer available for you.
Fit for far-out adventure. The SEAT Alhambra’s substantial size and electric sliding rear doors make slipping out for your next big family trip simple. Add to this, cool chrome lines and full LED headlights and you’ve got safe and stylish access to everything you’re ever going to need.
Every family’s different. There’s no one size fits all. Except when you’ve got 2,430 litres of room on the inside, with a spacious boot for everyone’s stuff. And 32 ways of configuring the seats give you all the flexibility you need, for whatever life throws at you.

Room to grow? You’ve got it.
When technology just works, it really is a kind of magic. From the Bi-Xenon headlights that make driving at night more like day, to the Virtual Pedal so you can open your boot completely hands-free, the SEAT Alhambra has more ways to make life magically easy.
Social media, Entertainment, Maps. The world is in your pocket. And with Full Link technology, your SEAT Alhambra gets seamlessly connected. Featuring MirrorLink™, Apple CarPlay™ and Android Auto™, your 6.3” colour touchscreen lets you control your world. Smart just got simpler.

Nothing matters more than their safety. Key elements like Front Assist and the seat belt reminder for 5 seats come as standard in all models. Want more? 4Drive and DSG deliver more responsive control, while Blind Spot Detection alerts you to unseen obstacles. Multifunctional camera technologies like Lane Assist and Traffic Sign Recognition actively monitor your surroundings and respond or alert you accordingly. Fatigue Recognition helps you stay alert, and with the comprehensive airbag system, everyone is protected. Think about it once, and then leave it to take care of.
Your way.

The time’s come to set the rules.

It’s all about the choices you make. The SEAT Alhambra makes sure you’ve got everything you need, for whatever you choose. Whether it’s performance, added convenience, or just that extra bit of comfort, you’ve got what it takes. All you need to do is take it.

Playtime just got serious. The SEAT Alhambra’s ready for the challenge. Step into the FR-Line and the performance, versatility and design take it to another level. From school runs to camping holidays, this is how you take practical and make it cool.

Family fun? Turn it up a notch.

Sporty touches.
Every journey should be a memorable experience. And the FR-Line puts the fun into function. From the details on your steering wheel, to the style of the seats, it’s not just about getting there. It’s about how you feel when you arrive.

Wheel appeal.
The FR-Line’s 18" Akira Atom Grey Alloy Wheels are built for action. The sports heritage brings powerful handling. Durability and strength bring reliability. Now all you’ve got to do is bring the adventure.

Interior.

Make each ride more comfortable with a range of clever upgrades to the interior of your SEAT Alhambra. For those long journeys, or just a quick trip to the shops, they’re the practical details that you’ll find indispensable.

Espresso machine.
A better kind of daily grind. When you’re on the road, there’s nothing quite like a homemade cup of coffee. The auto-set espresso machine, complete with 12V adaptor, ensures you’ll always have the perfect cream in any situation.

Cup holder.
This multifunctional storage device is innovatively shaped to fit a lot into a small space. From keys and stationery, to all of life’s necessities, clear up the clutter and have everything to hand.

Inox side sills.
Easy to set in place, the custom, laser-etched Inox side sills carry your Alhambra’s name. Stylish and protective, they also make getting in and out of the front seats more practical.

Sun shades.
Whether it’s a sunny day, or you’re driving at night, these shades help you to maintain visibility on the road, and regulate the temperature inside the car. When it comes to staying safe and cool, it’s one of the simplest things you can do to your SEAT Alhambra.
