Exterior Design

A beefier new look comes complete with a redesigned front grille, front bumper and Full LED headlights, bringing bolder presence to the front. Adding a touch of sporty appeal, the roof spoiler and 18" Alloy wheels also enhance performance. And the handwritten logo? Just because every great work of art needs a signature.

The new face of urban versatility

Interior Design

A soft landing comes in handy when you're living it to the extreme. The stylish interior comes equipped with a soft dashboard, a steering wheel in Nappa leather and enough space to go wild with your passions. LED lighting around the airvents provides a truly unique ambience to your cabin.

Room for your little big obsessions

Technology

A bigger display lets you see and do more. The 9.2" SEAT infotainment screen floats on the dashboard bringing it closer to your line of sight, improving visibility, practicality and safety. While a 10.25" Digital Cockpit gives you easier viewing over maps and real-time traffic updates. And who needs a charger when you can charge your smartphone simply by placing it in the connectivity box?

Always on your radar

Music Connectivity

Upgrade your driving experience. Navigate using the Navi System+ 9.2", offering intuitive touchscreen controls and smooth connectivity through SEAT CONNECT. Access live traffic updates, points of interest and nearby charging stations, ensuring a smarter and more convenient journey every time.

Big sounds inspire big moves

SEAT CONNECT

For a life always on the go, SEAT CONNECT puts control over your SEAT Arona at your fingertips. See its location and receive anti-theft alerts on your smartphone. Unlocking your car is as easy as unlocking your screen. Got a Navi System? Find petrol stations or parking prices. You can also send favourite destinations and planned routes from the app to the Infotainment.

Safety

The SEAT Arona maintains its flawless 5-star Euro NCAP safety rating, five years after first achieving the impressive rating. The Arona comes with a range of safety updates to meet the rigorous testing process, and Euro NCAP's even stricter methodology.

The SEAT Arona has achieved the maximum 5-star rating in the stricter 2022 Euro NCAP safety test.

5-star safety

Worries behind Adventures ahead

Your SEAT Arona is equipped with semi-automatic driving technology to keep you one step ahead of the traffic while also reducing the risk of accidents. Engineered to take the stress out of your ride.

Our global range of cars and product specifications varies from country to country. Please, visit your local SEAT website to know more about the product offer available for you.

Traffic Sign Recognition
See the current speed limits and overtaking restrictions on the Digital Cockpit. All thanks to the integrated front camera.

Side Assist
An extra eye on your blind spot. You're always aware of incoming cars when changing lanes or overtaking.

Travel Assist
A little helping hand. Travel Assist monitors your journey using cameras to scan for upcoming traffic, lane markings and curves, adjusting your speed to keep you moving with the flow of traffic.

High Beam Assist
This system automatically switches headlights between low and high beam when detecting a vehicle ahead, reducing dazzle to other drivers to support safer driving.

Easy care, easy go

**We care.
You don't have to**

The SEAT Warranty Extension lets you extend your 2-year manufacturer's warranty for 1, 2 or 3 years, or up to 100,000 km — whatever comes first. And if your car is new, the warranty comes included. Easy. Cost-effective. Worry-free.

**Need anything?
Just call**

Want a tow? More fuel? On-the-spot repair? SEAT Mobility Service is here for you, 24/7. Everywhere in the EU, plus most neighbouring countries. For up to 10 years. This is complete, reliable roadside assistance. And best of all? If your SEAT is new, you get 2 years free.

**Relax.
We've got this**

SEAT Insurance is tailor-made to your car. To keep you moving all year round. Our 24-hour customer service and official workshops using only SEAT Genuine Parts get you back on the road. Vandalism or theft? No problem. We're your ride.

**Forget about it.
It's covered**

Why worry? SEAT Service & Maintenance contracts cover most services in the SEAT Service Programme for the first 3, 4 or 5 years of ownership. Available in Basic or Premium, with options for financing. So you can focus on the more important things in life.

With SEAT Care, you benefit from a package of SEAT After Sales services at a fixed and competitive monthly rate. Value for money, with the service you expect. Starting from XX€ / month, you can save up to XX% compared to standard costs. Fewer worries. For more fun.

Environmental information

Renewable and recycled materials Marina Pack Edition

Use of upcycled SEAQUAL® YARN material in at least 72% of the seat trim covers. Additionally, 53% of the flooring and carpeting is made from recycled materials (30% Blue Label PET marine fiber and 70% urban plastic waste).

Lighting

Headlamps and rear lamps (not for LOW version) are 100% LED, increasing life service by up to 10 times. For headlamps, the luminous flux effectiveness is increased at least 30% in comparison to a halogen lamp.

SEAT Eco Drive Profile

ECO mode allows a driving style that modifies engine and transmissions parameters in order to reduce fuel consumption and emissions.

Manufacturing process

Between 2010 and 2023, we reduced the CO2 emissions per manufactured car by 69.3%, while also cutting the energy demand per car by 33.3%. Additionally, we achieved a 45.1% saving in water consumption and a 78.9% reduction in waste generated per car.

In our path towards a circular economy, we have established a process for dismantling discarded parts and components. This process breaks down complex items into single-material parts, enabling proper segregation and giving these materials a second life. As a result, what was once considered non-recoverable waste is now transformed into revalorized, reusable materials.
