Technology

* Full Link enables the use of Apple CarPlay™ and Android Auto™ technologies. Both technologies are the responsibility of Apple and Google, whereby SEAT S.A.U. has no influence on country-specific availability of Apple CarPlay™ and Android Auto™ and therefore the availability of the relevant technology may vary according to country. The functions may be subject to changes to content or may be ceased during the contract period. To avoid distraction, only certified apps can be started during the journey. In this context, please also be aware that some apps are not offered for each of the two technologies. Apple CarPlay™ is a trademark of Apple Inc. Android Auto™ is a trademark of Google LLC.

The more you see, the more you know. Combining a larger 9.2" floating touchscreen with navigation and wireless Full Link*, the SEAT Ibiza is made for those who love to keep effortlessly connected. Sync up your maps, contact lists, music and more for on-the-go access.

You can also enjoy hands-free control thanks to “Hola-Hola” natural voice command. Complete with a fully digital 10.25" Cockpit display for all your essential drive data, you'll have the option to customise the information you need. You can even split it into 3 easy-view panels, so everything is just where you want it: right in your line of vision.

With the SEAT Sound System for Ibiza, now you've got 6 premium speakers, 1 subwooferbox and a 300W amplifier at your command. But there's more: the other passengers could also be able to set and control the system! Find your perfect soundtrack, turn up the volume and dive into the best acoustic experience.

SEAT CONNECT

Safety

The SEAT Ibiza scored a perfect 5-star rating at the 2022 Euro NCAP test. The Ibiza has been given a host of safety updates to meet the even stricter testing methodology. The test may have changed, but our commitment to offering the safest vehicles on the market hasn't.

The SEAT Ibiza has achieved the maximum 5-star rating in the stricter 2022 EuroNCAP safety test.

5-star safety

Move without a care in the world

Don't sweat it, you're sorted. The SEAT Ibiza comes with innovative, drive-assist technology so you can focus on what's important - the fun stuff.

Lane Assist
Lock into the groove automatically. Lane Assist helps you stay in your intended lane of travel. If you start to drift, the system lets you know so you can correct course.

Side Assist
Overtaking and changing lanes doesn't have to mean straining your neck. The front and rear-facing radars help to monitor blind spots. If anything comes within a 70-meter radius, you will be notified with a visual cue.

Traffic Sign Recognition
Keep your eyes fixed ahead. Traffic Sign Recognition lets you view speed limits and overtaking restrictions on your SEAT Digital Cockpit, so you'll never miss a thing.

Travel Assist
There's nothing like a little helping hand. The Travel Assist features on the SEAT Ibiza monitor your journey and use cameras to scan for lane markings and curves.

Trim selection

Unique styles and personal choice. We all have our own way to move. So, the SEAT Ibiza comes in 4 stylish trims that let you move to the beat of your own drum.

Our global range of cars and product specifications varies from country to country. Please, visit your local SEAT website to know more about the product offer available for you.

Easy care, easy go

We care.
You don't have to

The SEAT Warranty Extension lets you extend your 2-year manufacturer's warranty for 1, 2 or 3 years, or up to 100,000 km — whatever comes first. And if your car is new, the warranty comes included. Easy. Cost-effective. Worry-free.

Need anything?
Just call

Want a tow? More fuel? On-the-spot repair? SEAT Mobility Service is here for you. 24/7. Everywhere in the EU, plus most neighbouring countries. For up to 10 years. This is complete, reliable roadside assistance. And best of all? If your SEAT is new, you get 2 years free.

Relax.
We've got this

SEAT Insurance is tailor-made to your car. To keep you moving all year round. Our 24-hour customer service and official workshops using only SEAT Genuine Parts get you back on the road. Vandalism or theft? No problem. We're your ride.

Forget about it.
It's covered

Why worry? SEAT Service & Maintenance contracts cover most services in the SEAT Service Programme for the first 3, 4 or 5 years of ownership. Available in Basic or Premium, with options for financing. So you can focus on the more important things in life.

With SEAT Care, you benefit from a package of SEAT After Sales services at a fixed and competitive monthly rate. Value for money, with the service you expect. Starting from XX€ / month, you can save up to XX% compared to standard costs. Fewer worries. For more fun.

Environmental information

Renewable and recycled materials Marina Pack Edition

Use of upcycled SEAQUAL® YARN material in at least 72% of the seat trim covers. Additionally, 53% of the flooring and carpeting is made from recycled materials (30% Blue Label PET marine fiber and 70% urban plastic waste).

Carpets contain a minimum of 30% recycled nylon ECONYL® yarn (nylon from discarded fishing nets and textile fibers from old carpets).

Lighting

Headlamps and rear lamps (not for LOW version) are 100% LED, increasing life service by up to 10 times. For headlamps, the luminous flux effectiveness is increased at least 30% in comparison to a halogen lamp.

Manufacturing process

During the period from 2010 to 2024 we reduced the CO₂ emissions per manufactured car by 74.8%, whilst also cutting the energy demand per car by 37.4%. Additionally, we've achieved a 54.8% saving in water consumption and a 78.1% reduction in waste generated per car.
