SEAT Leon.
This is the moment to live any moment.

Too soon? Not ready? Stop waiting. Get going. Wherever you go, whatever you choose, the SEAT Leon always makes it a pleasure. On-road or off-road, just as long as you hit the road. Why not take them with you? You’ve got the extra space. Do what makes you happy. Because right now is what matters.
1953. The first SEAT rolls off our Barcelona production line and a whole country starts moving. More than 60 years later and we're moving people all over the world. But Barcelona still inspires us. Its creative spirit runs through our veins. Feeds into every car we produce. In fact, 50% of the energy we use to make our cars comes direct from Mediterranean sunshine. This is a city that never stops. And neither will we. Why? Because you have places to be.

Created in Barcelona.
The world is full of possibilities. SEAT makes it easy to take hold of them. Plot your own route. Set your own goals. Keep moving through your ever-changing life. It’s what we do.

Because if it doesn’t set you free, drive you forward, make things better, what’s the point? If it’s not easy, it’s not mobility.
There are those who follow the herd. Then there are those who choose to live. To feel every day. Roll their windows down. Turn the radio up. The ones who turn the mundane into the extraordinary. Like the SEAT Leon. Equipped with technology like Full LED headlamps and a Wireless Charger. A car designed for you to make the most out of every moment. No matter how small. Or big. Starting today.

Living starts now.
Confidence is attractive.

An iconic exterior sharpened with aerodynamic lines. The SEAT Leon comes with a strong character, unmistakable on any street. Every inch is meticulously crafted to offer you a modern and ergonomic design. Not to mention state-of-the-art technology. Inside and out. All to empower your every moment on the road.
Exterior design

Details say a lot about you. Especially when it comes to style. Like the 19" alloy wheels that make a statement on the streets. A hot-stamped front grille that’s not afraid to turn heads. And a panoramic sunroof that says you know how to appreciate life at any time.

Little things reveal the most.
When it comes to the SEAT Leon, it’s all about you. Picture a driver-oriented dashboard with an 8” infotainment touchscreen. High-quality upholstery with an ergonomic design. Electric Parking Brake so you can sit back and relax. A spacious boot for anything and everything. Need we say more? It’s time to put yourself first.

You. First.
Our global range of cars and product specifications vary from country to country. Please visit your local SEAT website to know more about the product offer available for you.

The SEAT Leon is infused with technology. In every possible way. Full Link Technology connecting your smartphone to the car for a seamless driving experience. Wireless Charger, because who would say no to that? And the Start/Stop System that turns the engine off when idling to save gas. Now it’s your turn to have it all.

Pioneers don’t settle for less.

The SEAT Leon is infused with technology. In every possible way. Full Link Technology connecting your smartphone to the car for a seamless driving experience. Wireless Charger, because who would say no to that? And the Start/Stop System that turns the engine off when idling to save gas. Now it’s your turn to have it all.
Our global range of cars and product specifications vary from country to country. Please, visit your local SEAT website to know more about the product offer available for you.

Technology

Why go at all, if not all the way?

Your SEAT Leon’s technology turns it up to 10, inside and out. Reverse while facing forward with the Rear View Camera. For extra peace of mind on the road, Front Assist and Pedestrian Protection detect potential collisions, alert the driver and brake if necessary. Taking on a tricky parking spot? Park Distance Control’s front and rear sensors help guide you into place. It’s all ready. Are you?

20
Safety

First things first.

There’s nothing more important than your safety. That’s why we take our technology seriously. Adaptive Cruise Control automatically regulates the distance between you and the car in front at high speeds. Traffic Jam Assist does the same but for lower speeds. Lane Assist looks after you with sensors, allowing the car to adjust steering in the event you drift out of lane.

Our global range of cars and product specifications varies from country to country. Please, visit your local SEAT website to know more about the product offer available for you.
Your safety is also the safety of others. So we go the extra mile. Pedestrian Protection activates emergency braking if sensors detect nearby movement and you can’t react in time. The Tiredness Recognition System alerts you when you start to lose concentration. Traffic Sign Recognition displays all road signs, from speed limits to road works, so you don’t miss a thing.

Safety is a team effort.
Our global range of cars and product specifications varies from country to country. Please visit your local SEAT website to know more about the product offer available for you.

All yours for the taking.

You've made it this far. And now, it's time to fulfill all your performance and styling technology and style. The SEAT Leon, fully equipped for the life you've always wanted.
It feels good to push the limits.

A dynamic trim that'll get your pulse going. Choose the Desire Red finish and show the world that you dare to be different. Comes with exclusive FR detailing and sporty alloy wheels.

An identity of its own.
Front grille with FR logos. Different and proud. Because an all-star attitude doesn’t hide.

Up for any challenge.
18” alloy wheels. Not only good looking, but also hard-working. The things champions are made of.

FR.

Our global range of cars and product specifications varies from country to country. Please, visit your local SEAT website to know more about the product offer available for you.

There are endless ways to change the interior of your SEAT Leon. Here you can customise your dashboard and gear knob. Which colour will you go for?

Choose from three vibrant options:
A set of two red decorative dashboard covers, including a 5/6-speed gear knob in aluminium, leather and Tornado Red. A touch of sophistication with the same set but in aluminium, paired with a 5/6-speed gear knob in aluminium and chrome. Or a carbon-brushed set with the aluminium and chrome gear knob. Available for all models with LHD and a manual gearbox.

Decorative dashboard covers.
Customised gear knob.

Interior.
It’s all or nothing.
Nothing should stand in your way. Especially not your car. That’s why we’ve designed transport dedicated accessories. So you never leave your SEAT Leon behind.

Roof box.
Too much luggage? Use the roof for extra space, all while keeping your cases protected. A cool aerodynamic shape. Easy and quick to assemble. Opens on both sides.

Surf rack.
No surfboard is too big for a SEAT Leon. This rack comes with 4 plastic supports that adapt to the size of your board. It can even transport two at the same time. Who will you take with you?

Bike rack.
Love the great outdoors? This aerodynamic frame is perfect for transporting a bicycle. It even has an anti-theft locking device.

Load-Stop rack.
There’s absolutely nothing you can’t transport with your SEAT Leon. This rack is designed to hold any item, no matter its shape or size.
Transport.

Doing your thing just got easier. This practical and polished range is designed to help you own it. Need some shade? Lighting up the dark? Or just fancy a few smart touches to complete your perfect SEAT Leon? Whatever you need, get customised and raise the bar.

**Tow bar.**
Removable trailer hitch that’s secure and easy to use. A perfect excuse to buy that jet ski you’ve always dreamed of.

**Ski rack.**
Comes in aluminium with rubber supports. For up to 6 skis or 4 snowboards. Everyone’s in for a ski trip, right?

**Ski Rack Xtender.**
Slide off system for convenient loading and off-loading. Extendable so you don’t have to reach over the roof. And easy to open, even while wearing gloves.
Protection.

Now that you have it all, it’s important to keep it protected. Choose the accessories you need to keep your SEAT Leon damage-free, from mudflaps and mats to car covers and more.

01 Front and rear mudflaps.
Protect the body of your SEAT Leon from road debris that fly out from the front wheels while you drive.

02 Velpic® mats.
Keep the inside of your SEAT Leon clean. A four-piece set, two for the front and two for the rear. Made with soft fabric.

03 Protective boot tray.
A rubber cover that fits perfectly. Transport anything without worrying about damaging the boot.

04 Car covers.
Keep the exterior of your SEAT Leon intact when you’re away with this smart polyester cover. Includes a floor mat fixing system.

05 Separation grille.
Is your pet coming with? Make sure they travel safely. Easy to install and remove without any tools.

06 Cargo management system.
Organise your space. Includes two brackets that can be adjusted to your needs. Fix it to anywhere you want with Velcro.

Nothing is ever too much when it comes to your wellbeing or that of your loved ones. Whether you’re going for a ski trip or have children traveling with you, safety is your first plan. That’s why it’s ours, too.

A car seat not only protects your child, but also keeps them comfortable. The sun visor keeps your baby safe from sunstroke, and the comfortable handle makes it easy to carry. It’s simple to fasten using the standard seat belt and can be used as a cradle. Made for children up to 15 months or 13kg. SEAT Peke Go i-Size.

Your backup for snowy or icy weather conditions. Snow chains give you enhanced traction and, most importantly, peace of mind. Some countries even make it a legal requirement to carry them in your car. Snow chains.
At your service.

Freedom starts where worry ends.

Life's too short to spend it in a workshop. The SEAT Service uses only SEAT Genuine Parts to keep your Leon at its best. So you can get out and go.
Life’s for living.

With SEAT CARE, you benefit from a package of SEAT After Sales services at a fixed and competitive monthly rate. Value for money, with the service you expect. Starting from 104€/month, you can save up to 50% compared to standard costs. Fewer worries. For more fun.

We care.
You don’t have to.

The SEAT Warranty Extension lets you extend your 2-year manufacturer’s warranty for 1, 2 or 3 years, or up to 100,000 km – whatever comes first. And if your car is new, the warranty comes included. Easy. Cost-effective. Worry-free.

Relax.
We’ve got this.

SEAT Insurance is tailor-made to your car. To keep you moving all year round. Our 24-hour customer service and official workshops using only SEAT Genuine Parts get you back on the road. Vandalism or theft? No problem. We’re your ride.

Need anything?
Just call.

Want a tow? More fuel? On-the-spot repair? SEAT Mobility Service is here for you 24/7. Everywhere in the EU, plus most neighbouring countries. For up to 10 years. That’s complete, reliable roadside assistance. And best of all? If your SEAT is new, you get 2 years free.

Forget about it.
It’s covered.

Why worry? SEAT Service & Maintenance contracts cover most services in the SEAT Service Programme for the first 3, 4 or 5 years of ownership. Available in Basic or Premium, with options for financing. So you can focus on the more important things in life.
SEAT is committed to a policy of continuous product development and reserves the right to make changes to specifications, colours and prices without notice. The information in this brochure can therefore be given as guidance only. While SEAT makes every effort to ensure that specifications are accurate at the time of publication, you should always check with your authorised SEAT Partner for the latest information. Due to limitations of the printing process the colours reproduced in this brochure may vary slightly from the actual paint colour and material. This vehicle and all its parts, as well as the original spares, were designed according to the Legal Regulations governing the prevention and minimisation of Environmental Impact, through the use of recycled/recyclable materials, with measures taken to achieve suitable recycling for the conservation and improvement of environmental quality.
