Roll Everywhere

More than a multifunctional urban SUV. Make it yours and let your instinct take the wheel, driving into new dimensions. Rediscover excitement, explore places you've never imagined, spark new adventures, and keep moving forward.

01. INTRODUCTION

Our global range of cars and product specifications varies from country to country. Please, visit your local SEAT website to know more about the products offer available for you.

Fuel the Unexpected

Keep your emotions running high behind the wheel. The city is yours to ride.

02. YOUR ARONA

Our global range of cars and product specifications varies from country to country.
Please, visit your local SEAT website to know more about the product offer available for you.

Exterior Design

Commanding attention from every angle, the redesigned front grille, striking front bumper, and Full LED headlamps and foglamps deliver a more assertive, beefy stance. Dynamic accents like the roof spoiler and the new 18" alloy wheels not only elevate its performance—they make a statement. And the handwritten logo? A signature flourish, because every masterpiece deserves one.

Designed for Cities,
Ready for Anything

Our global range of cars and product specifications varies from country to country.
Please, visit your local SEAT website to know more about the product offer available for you.

Interior Design

Live the city, cruise through the suburbs, or escape to your next weekend destination—with plenty of room to spare. Because a stylish interior can also be comfortable. The leather steering wheel awakens your senses, while the new embossed textile moulding design and the fresh mint colour around the air vents create an exclusive vibe to enhance your driving experience.

Step in, Feel the Drive

Technology

Do you want to experience a real connection? Say no more. Discover everyday technology designed to simplify your life—like the 10.25" Digital Cockpit, which enhances visibility and safety, and the 9.2" Navigation System with real-time traffic updates. Forget about carrying a charger: just place your phone in the SEAT Arona's Connectivity Box and enjoy seamless charging. Stay connected with wireless Full Link, while the customisable ambient lighting creates the perfect atmosphere for every journey.

Stay Connected,
Keep Rolling

SEAT CONNECT

For a life always on the go, SEAT CONNECT puts control over your SEAT Arona at your fingertips. See its location and receive anti-theft alerts on your smartphone. Unlocking your car is as easy as unlocking your screen. Got a Navi System? Find petrol stations or parking prices. You can also send favourite destinations and planned routes from the app to the infotainment.

Focus On What Really Matters

Less worries, more adventure. Our Safety and service features technology is designed to keep you and your loved ones safe and stress-free.

- Stuck? Get help right away by pushing the Breakdown Call button for immediate and direct access to our agents.
- Forgetting something? Service Scheduling alerts you when you need to bring your car in for a check-up.
- You're in safe hands. Speak with our Customer Care service who will be there to offer their expert support.

Your Arona in Your Pocket

Manage your car from anywhere directly through your smartphone, with remote features.

- Improve your driving performance. Receive Driving Data from your trips, including fuel consumption, average speed and more.
- Out and about? Check up-to-date information from anywhere with Vehicle Status, check whether your doors are locked and lights are off.
- The Remote Lock and Unlock feature let you view your car's lock status on your device and lock or unlock from wherever you are.

Your Ultimate Driving Partner

A Navi System allows you to get the most out of SEAT CONNECT's online features and services, all tailored to make your life simpler and better.

- Be in the know about the road ahead. Take the shortest route according to real-time traffic with route calculation.
- Use the wake-up phrase "Hola Hola" to get things started and simply speak normally. Natural Voice Control has you covered.
- Browse more than 10,000 radio stations and podcast from around the world.

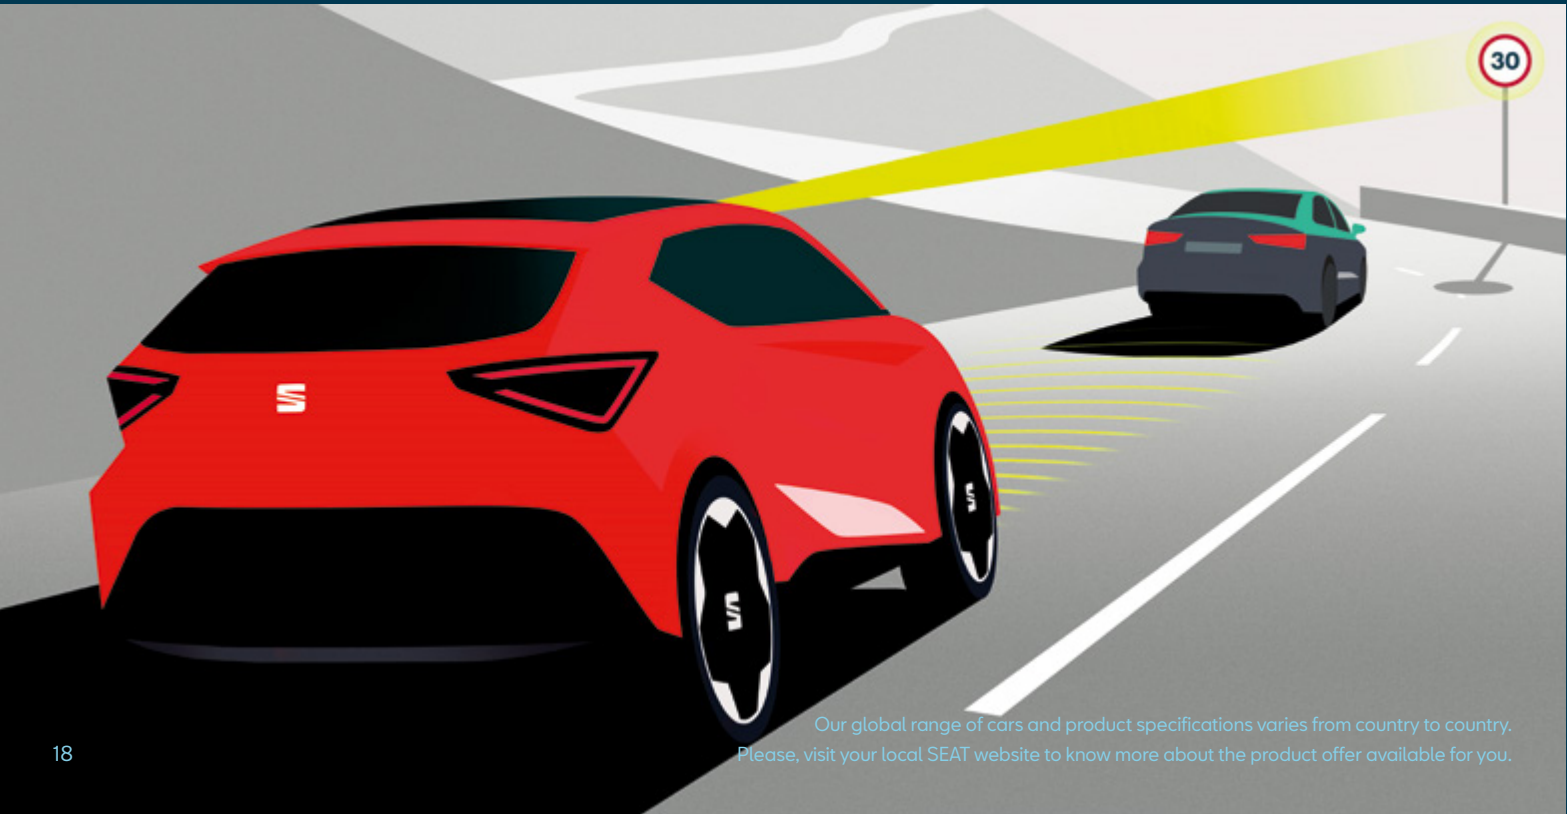

Connect to Your Car, Your Car to the World

Safety

Drive On & Stress Free

Driver-assist technology combines sensors, alerts, and structural design to protect everyone on board— while smart features help reduce stress behind the wheel. With a 5-star EURO NCAP rating, the SEAT Arona enhances your driving experience anytime, anywhere, delivering safety and peace of mind through cutting edge innovation.

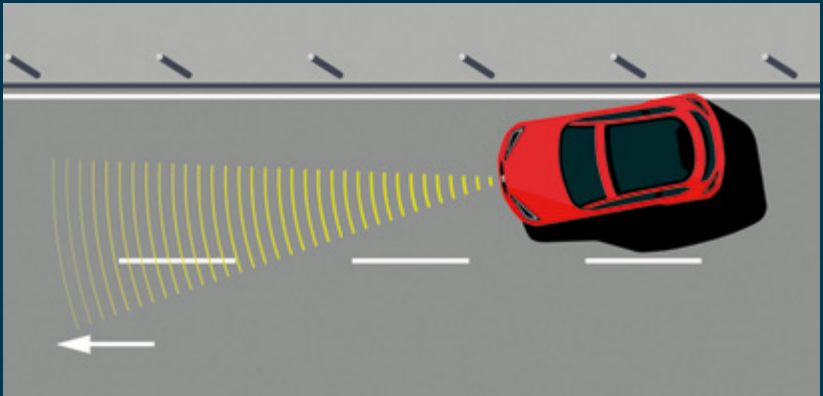

Our global range of cars and product specifications varies from country to country. Please, visit your local SEAT website to know more about the product offer available for you.

Predictive Adaptive Cruise Control

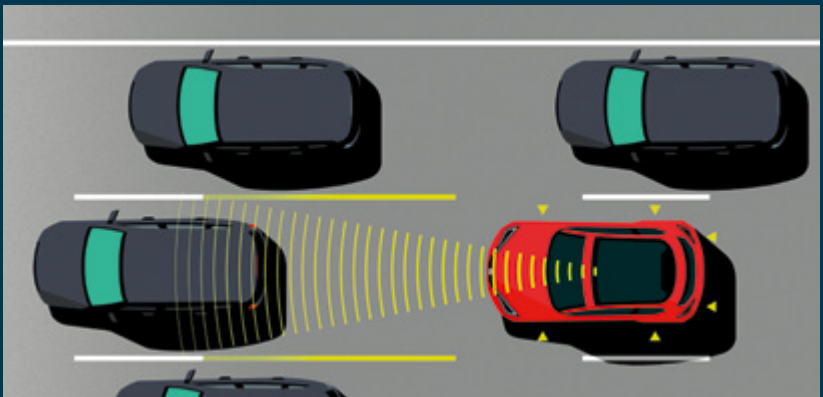

Stay effortlessly in sync with traffic. Predictive Adaptive Cruise Control automatically adjusts your speed to maintain a safe distance from the vehicle ahead, giving you a smoother and more relaxed drive on any journey.

Lane Assist

Stay confidently in your lane. The camera identifies road markings and alerts you if you're about to drift across. The system also steps in with gentle steering corrections to help you stay aligned. Roadwork Assist can also read temporary signals, such as construction barriers or guard rails.

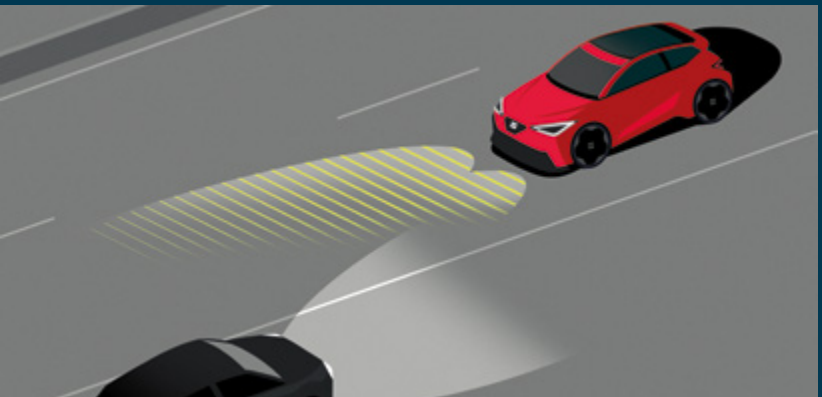

Traffic Jam Assist

Keep calm in heavy traffic. Traffic Jam Assist helps you maintain a safe distance, controls speed, and even supports gentle steering to keep you centered in your lane. The result: smoother, less stressful driving in stop-and-go conditions.

Side Assist

Avoid unwanted bumps. When leaving a parking space, Exit Assist warns you of oncoming vehicles or obstacles through visual and acoustic signals. If no action is taken, the system automatically applies the brakes to prevent a collision.

High Beam Assist

The system automatically adjusts your headlights between high and low beam when it detects traffic ahead, minimizing glare for other drivers and enhancing overall safety on the road.

Made for Rolling

Feel the thrill of driving a SEAT Arona that truly fits you. Explore the trims available and find out which one moves you. Go ahead and roll with passion.

03. YOUR WAY

Our global range of cars and product specifications varies from country to country. Please, visit your local SEAT website to know more about the product offer available for you.

SEAT Arona FR

Fulled by the FR Drive

Built to turn heads and take on anything. The Arona FR trim brings confident energy to every drive—ready for city streets or cross-country escapes. With 18" Alloy Wheels and a perfect color combo, it's got the muscle to match its attitude.

Detail in Every Stitch, Bold in Every Curve
Make yourself comfortable in these bucket seats with NUANCE embossed upholstery. Show off a great design in every ride.

Drive Smarter, Drive Connected
Connect your smartphone to the 9.2" Navi System Full Link display to easily make calls or stream music—experience a fully integrated drive.

Advanced Driving Made Simple
The SEAT Arona FR with automatic transmission delivers smooth and effortless driving. Combining Dynamic performance with refined comfort, it adapts seamlessly to every journey whether in the city or on the open road.

Light that Leads the Way
Light up every drive. Full LED Headlamps give you crystal-clear visibility and a bold, advanced look—day or night. Safety never looked so good.

Engineered to Impress
Sleek 18" Performance Alloy Wheels—engineered to be lightweight and aerodynamic, helping cut drag and boost efficiency.

Flair for Your Dashboard
The SEAT Arona's interior is completed with a standout touch: illuminated air vents to create a glowing atmosphere. Turning every drive into a vibe.

Charge Smarter. Drive Smoother
Enjoy fast 25W charging with secure magnetic positioning. Designed to keep your phone stable and connected, wherever the road takes you.*

Smart, Connected & Always in Control
Unlock the full power of SEAT CONNECT—seamlessly integrated through the advanced Navi System.

05. AT YOUR SERVICE

Our global range of cars and product specifications varies from country to country. Please, visit your local SEAT website to know more about the product offer available for you.

Easy Care, Easy Go

**We Care,
You Don’t Have To**

The SEAT Warranty Extension lets you extend your 2-year manufacturer’s warranty for 1, 2 or 3 years, or up to 100,000 km — whatever comes first. And if your car is new, the warranty comes included. Easy. Cost-effective. Worry-free.

**Need Anything?
Just Call**

Want a tow? More fuel? On-the-spot repair? SEAT Mobility Service is here for you. 24/7. Everywhere in the EU, plus most neighbouring countries. For up to 10 years. This is complete, reliable roadside assistance. And best of all? If your SEAT Arona is new, you get 2 years free.

With SEAT Care, you benefit from a package of SEAT After Sales services at a fixed and competitive monthly rate. Value for money, with the service you expect. Starting from XX€ / month, you can save up to XX% compared to standard costs. Fewer worries for more fun.

**Relax,
We’ve Got This**

SEAT Insurance is tailor-made to your car. To keep you moving all year round. Our 24-hour customer service and official workshops using only SEAT Genuine Parts get you back on the road. Vandalism or theft? No problem. We’re your ride.

**Forget About It,
It’s Covered**

Why worry? SEAT Service & Maintenance contracts cover most services in the SEAT Service Programme for the first 3, 4 or 5 years of ownership. Available in Basic or Premium - with options for financing - so you can focus on the more important things in life.

Environmental Information

Recycled Materials

Use of upcycled SEAQUAL® YARN material in at least 72% of the seat trim covers. Additionally, 53% of the flooring and carpeting is made from recycled materials (30% Blue Label PET marine fiber and 70% urban plastic waste).

Carpets contain a minimum of 30% recycled nylon ECONYL® yarn (nylon from discarded fishing nets and textile fibers from disposed carpets).

Lighting

Headlamps and rear lamps (not for LOW version) are 100% LED, increasing life service by up to 10 times. For headlamps, the luminous flux effectiveness is increased at least 30% in comparison to a halogen lamp.

SEAT'S environmental mission: contributes to climate protection, resource conservation, ecosystem preservation, and compliance with environmental regulations.

Our global range of cars and product specifications varies from country to country. Please, visit your local SEAT website to know more about the product offer available for you.

SEAT is committed to a policy of continuous product development and reserves the right to make changes to specifications, colours and prices without notice. The information in this brochure can therefore be given as guidance only. While SEAT makes every effort to ensure that specifications are accurate at the time of publication, you should always check with your authorised SEAT Partner for the latest information. Due to limitations of the printing process the colours reproduced in this brochure may vary slightly from the actual paint colour and material. This vehicle and all its parts, as well as the original spares, were designed according to the Legal Regulations governing the prevention and minimisation of Environmental Impact, through the use of recycled/recyclable materials, with measures taken to achieve suitable recycling for the conservation and improvement of environmental quality.
