Safety

Drive Breezy & Own Every Mile

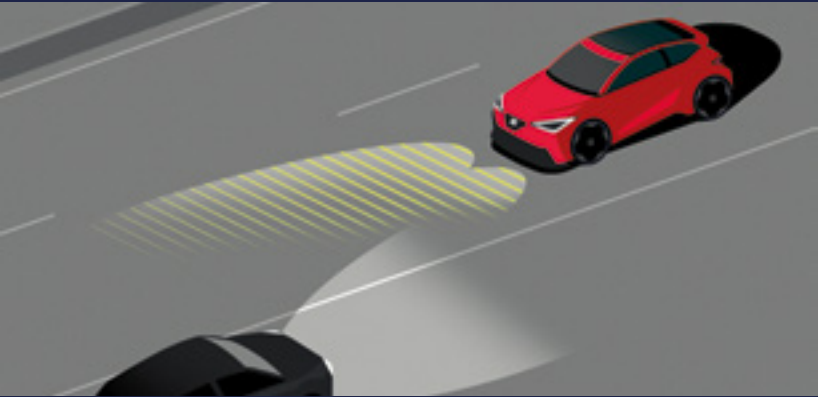

Don't sweat it, you're sorted. The SEAT Ibiza comes with innovative, drive-assist technology so you can focus on what's important - the fun stuff. With a 5-star Euro NCAP rating, your SEAT Ibiza is built for confidence. It features advanced driving technology that detects blind spots. Also, it keeps you updated with real-time traffic info, thanks to Traffic Jam Assist. For extra peace of mind, count on the Antitheft Alarm to keep you informed in case of a break-in attempt, while Adaptive Cruise Control and Lane Assist with built-in camera help you drive smoothly, safely, and stress-free.

Our global range of cars and product specifications varies from country to country. Please, visit your local SEAT website to know more about the product offer available for you.

 **Side Assist**
When the system detects something within 70 meters of your car, it provides a visual alert, so you can overtake or change lanes with confidence and safety. Thanks to its front & rear facing radars, you'll always be aware of your surroundings.

 **High Beam Assist**
If the system detects a vehicle ahead, it automatically switches between low and high beam headlights, to minimize glare for other drivers.

 **Predictive Adaptive Cruise Control**
With its integrated front camera and cutting-edge predictive technology, you can drive more safely and keep the perfect pace. The system anticipates potential dangers ahead and semi-automatically adjusts your SEAT Ibiza's velocity.

 **Antitheft Alarm**
Smart security technology that protects your SEAT Ibiza from break-in attempts.

 **Lane Assist**
The advanced tech that protects and helps you stay in your lane. Perfect for the daily grind on the road, this system alerts you if you drift—so you can adjust your position.

Easy Care, Easy Go

We Care, You Don't Have To

The SEAT Warranty Extension lets you extend your 2-year manufacturer's warranty for 1, 2 or 3 years, or up to 100,000 km — whatever comes first. And if your car is new, the warranty comes included. Easy. Cost-effective. Worry-free.

Need Anything? Just Call

Want a tow? More fuel? On-the-spot repair? SEAT Mobility Service is here for you. 24/7. Everywhere in the EU, plus most neighbouring countries. For up to 10 years. This is complete, reliable roadside assistance. And best of all? If your SEAT Ibiza is new, you get 2 years free.

With SEAT Care, you benefit from a package of SEAT After Sales services at a fixed and competitive monthly rate. Value for money, with the service you expect. Starting from XX€ / month, you can save up to XX% compared to standard costs. Fewer worries for more fun.

Relax, We've Got This

SEAT Insurance is tailor-made to your car. To keep you moving all year round. Our 24-hour customer service and official workshops using only SEAT Genuine Parts get you back on the road. Vandalism or theft? No problem. We're your ride.

Forget About It, It's Covered

Why worry? SEAT Service & Maintenance contracts cover most services in the SEAT Service Programme for the first 3, 4 or 5 years of ownership. Available in Basic or Premium - with options for financing - so you can focus on the more important things in life.

Environmental Information

Recycled Materials

Use of upcycled SEAQUAL® YARN material in at least 72% of the seat trim covers. Additionally, 53% of the flooring and carpeting is made from recycled materials (30% Blue Label PET marine fiber and 70% urban plastic waste).

Carpets contain a minimum of 30% recycled nylon ECONYL® yarn (nylon from discarded fishing nets and textile fibers from disposed carpets).

Lighting

Headlamps and rear lamps (not for LOW version) are 100% LED, increasing life service by up to 10 times. For headlamps, the luminous flux effectiveness is increased at least 30% in comparison to a halogen lamp.

Drive Profile

ECO mode is designed to support an efficiency-focused driving style. By adapting engine and transmission characteristics, it optimizes selected vehicle settings to promote smooth and balanced vehicle operation, depending on driving conditions and driving behaviour.

SEAT'S environmental mission: contributes to climate protection, resource conservation, ecosystem preservation, and compliance with environmental regulations.
