## FOR URBAN LIVING

At SEAT, we empower a more dynamic and sustainable way of living in a constantly transforming world.

Inspired by the non-stop city of Barcelona, SEAT MÓ is made for urban lovers who make the most of high-intensity city life, those who expect no limitations. Our wide range of electric and sustainable mobility solutions are designed for you to enjoy every day with the same intensity and excitement as riding on a racetrack.

# SEAT **MÓ** RANGE

## **ZERO EMISSIONS, ZERO NOISE**

SEAT MÓ is the 100% electric urban mobility range that's committed to a cleaner environment and keeping you in perfect harmony with the flow of your city.

## **REMOVABLE BATTERY FOR EASY CHARGING**

A portable solution to make charging easier, our certified batteries can simply be plugged it into a conventional socket or removed from the scooter and transported to a more convenient place to charge up.

## **TWO'S A COMPANY**

With storage space for two helmets, the only question is, who will you take along for the ride?

## **LED DISPLAY**

All your driving data is displayed crystal clear on the striking LED screen.

# SEAT MÓ 125 PERFORMANCE

From the racetrack to the city.

Meet the new SEAT MÓ 125 Performance: our fastest and most powerful electric scooter. It comes equipped with next-level technology, and thanks to its endurance and reliability, 2 Guinness World Records.

For those who never stop moving, in the city and beyond.

100% electric 100% performance.

# SEAT MÓ CONNECTIVITY

## SEAT MÓ APP

With the SEAT MÓ app you can enjoy a range of features available on all our models.

### ONLINE REMOTE SERVICES

Free to roam without a worry. Receive alerts about the status of your scooter in real time, wherever you are.

### KEYLESS

Your smartphone can be used to unlock and start up, meaning you can say goodbye to bulky keys.

### REAL-TIME UPDATES

Track your scooter and see its location in real time. Your riding data can also be monitored and updated instantly via the app.

DOWNLOAD  
MÓ APP

### MOTOR BLOCK

This handy theft-prevention solution can be controlled remotely to disable the ignition of your motor and stop thieves in their tracks. Unblocking is as simple as blocking.

### ALARM SYSTEM

The state-of-the-art alarm system is designed to attract attention when it's receiving the wrong kind.

# SEAT MÓ ACCESORIES

Looking for more? Check out our range of accessories that make your commute more fun, while increasing comfort and safety on the road.

## MOBILE SUPPORT

Keep your phone where you can see it with this support and holster for your mobile. Fitted with an articulated support for increased visibility to get you around town, safer and easier.

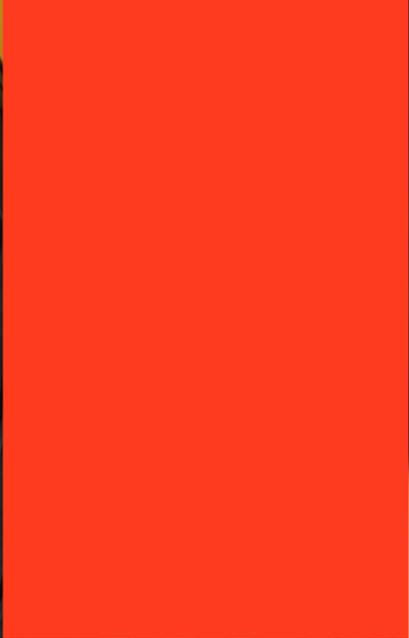

## GLOVES: HEBO CITY WINTER, HEBO CITY SUMMER

Neither the cold winter mornings nor the summer afternoons need be a problem. Both summer and winter options add protection and comfort for your hands. All year round.

## HELMETS: HEBO FULL FACE, HEBO JETT

Who says safety gear can't look good too?

## WINDSCREEN

The aerodynamic windshield enhances comfort at high speeds.

## DISC BRAKE PADLOCK

Extra prevention against theft, the bike lock is a sure way to find your scooter where you parked it.

## LEG COVER

Why suffer the elements when you don't need to? The leg cover protects your lower half against wind and rain.

## LOOKING TO BRING MORE?

Our 90-litre storage box gives you space for any adventure you have in mind.
