# Where to next?

The world doesn't stand still. And neither do you. Every challenge is an opportunity to try something new. Be curious. Keep pushing forward.

It's the way we live too. SEAT is a brand born in Barcelona. Inspired by colour and light. Fuelled by creative energy and optimism. We're here to make it easier for you to move the way you want to. So, where shall we go?

Our global range of cars and product specifications varies from country to country. Please, visit your local SEAT website to know more about the product offer available for you.

# Moving made easy.

At SEAT we believe that moving should be effortless. For everyone.

Cars that you want to drive because they look great and feel even better. Large SUVs. eHybrids. Electric scooters and bikes. Mobility solutions to make moving through your city smarter. Brighter. More enjoyable. And above all, easier.

Our global range of cars and product specifications varies from country to country. Please, visit your local SEAT website to know more about the product offer available for you.

# Your Arona.

## Nothing ever grew from a comfort zone.

Fresh, modern good looks and aerodynamic performance. The SEAT Arona has it all, with ultra-defined blisters and dynamic lines. Compact. Fearless. Designed to be free. City car agility meets SUV style and substance. Tech that puts your world at your fingertips. More space to play with. This is a new vision. As independent as you are.

Exterior design

# Turn heads. Conquer hearts.

From the custom 18" Alloy Wheels to its blistering lines, the SEAT Arona says it all, without saying a word. Because style isn't just about looking good. It's about making it look easy.

Exterior design

# See further. Go further.

Brighter than the rest. The SEAT Arona is equipped with the latest full LED headlights and rear LED pilots. So you've got the power, and the vision, to go the distance.

## Interior design

# In your space, it's limitless.

When you've got big plans, you need plenty of room. Stretch out. Enjoy a quality of finish that feels just right. And take command of your drive. It's all right where you want it.

Our global range of cars and product specifications varies from country to country. Please, visit your local SEAT website to know more about the product offer available for you.

# Options. Multiplied.

We could all use that extra space. So the SEAT Arona gives you more. With up to 400 litres of room in the boot, you can take what you want. And what they want. So everyone can do their thing.

Our global range of cars and product specifications varies from country to country. Please, visit your local SEAT website to know more about the product offer available for you.

Technology

# Everywhere. All the time.

Be where you need to be, without being there at all. HolaHola, SEAT's new intelligent assistant, allows you to stay connected and in command using your voice only. The SEAT Arona's Wireless Charger and GSM Amplifier mean everythin's charged, at full signal and ready to go.

## Technology

# It's easy to do your thing.

Whatever you want, whenever and wherever. From full connectivity to navigation, you've got all the technology you need at your fingertips. Destination? You decide.

Our global range of cars and product specifications varies from country to country. Please, visit your local SEAT website to know more about the product offer available for you.

## Safety

# Every step of the way.

You've got better things to do than worry about safety. SEAT Arona has got you covered. Rear Traffic Alert and Rear Traffic Control gets you out of those troublesome spots. While eCall makes sure you get the help you need, without lifting a finger.

### 01. Hill Hold Control.

Going up? Hill Hold Control prevents the car from rolling backwards for a few seconds to help you get started up those slopes.

### Rear Traffic Alert.

Backing out of that parking spot just got easier. Rear Traffic Alert automatically stops the car if other vehicles, or other obstacles, come up behind you.

### eCall.

Need assistance? eCall automatically notifies emergency services in case of an accident, or you can press a button on the ceiling to make the call yourself.

Our global range of cars and product specifications varies from country to country. Please, visit your local SEAT website to know more about the product offer available for you.

# Your way.

A man in a patterned jacket and dark shorts stands on a dark, craggy rock. He is looking towards the right. The background is a light-colored wall with a rough, textured appearance, featuring some green leaves hanging from the top left and a decorative purple floral pattern at the bottom. The overall mood is artistic and minimalist.

## The moon is not enough.

Want the best? You have it. Want it even better? Make it your own. The SEAT Arona is customisable to the very last detail. From every colour. Dial to dial.

Need more tech? Get loaded. Want more style? You've got it. Because it's not about being told what to do. It's about doing your thing. Exactly how you like it.

# See the world

# through your ears.

# Environmental information.

## SEAT ECO Drive Profile

ECO Mode allows a driving style that respects the environment, modifying engine and transmission parameters in order to reduce fuel consumption and emissions.

## Renewable materials

Presence of renewable materials like cotton, natural rubber and cellulose/paper in different parts of the vehicle.

## Engines

Engine TGI. Combine petrol and compressed natural gas (CNG), saving up to 30% compared to a petrol engine only. Reduce CO<sub>2</sub> emissions and improve the air quality.

## Air quality

Diesel engines incorporate an optimised exhaust gas treatment system to further minimise NO<sub>x</sub> emissions (AdBlue mono dosing).

## Lighting

Integrating Full LED headlights and LED daytime running lights reduces electricity consumption and increases the headlights' life expectancy output.

## Factory

State-of-the-art manufacturing processes lower CO<sub>2</sub> emissions per car manufactured by 55% and energy consumed per car by 22%.

56% reduction in emissions per car. 31% reduction of water consumption per car.

## Seats

The use of new PUR foam formulations reduces the emissions of volatile organic compounds (VOCs) in the cabin interior.

## Acoustics

Full compliance with the new noise regulations thanks to improvements introduced to the exhaust pipes and to the acoustic package.

## Fuel tank

Improvements made to the system help reduce the weight and volume of a full tank, without losing autonomy.

## Tyres

Tyres with a low rolling resistance.
