

SEAT Aronda

It's life,
only bolder.

Take a look around you. Do you see roads? Or beginnings? Obstacles? Or possibilities? At SEAT, we see the world in all its wild, wonderful glory. We can't help it. We're from a place that buzzes with creative energy. Where different is just the done thing. And so everything we touch – from cars to bikes to new mobility solutions – is designed to help you live a bolder, brighter, more surprising life.

Our global range of cars and product specifications varies from country to country. Please, visit your local SEAT website to know more about the product offer available for you.

The all-purpose urban SUV redesigned for those who choose to be bolder, live wilder, and act on impulse. So, take your passion and run with it, because you never know where it might lead when you dare to get carried away.

Get carried
away.

Sometimes all it takes is a little push for big things to happen.

Meet your
new partner
in crime.

The new face of urban versatility.

A beefier new look comes complete with a redesigned front grille, front bumper and Full LED headlights, bringing bolder presence to the front. Adding a touch of sporty appeal, the roof spoiler and 18" Alloy wheels also enhance performance. And the handwritten logo? Just because every great work of art needs a signature.

Room for your little big obsessions.

A soft landing comes in handy when you're living it to the extreme. The stylish interior comes equipped with a soft dashboard, a steering wheel in Nappa leather and enough space to go wild with your passions. LED lighting around the airvents provides a truly unique ambience to your cabin.

Always on your radar.

A bigger display lets you see and do more. The 9.2" SEAT infotainment screen floats on the dashboard bringing it closer to your line of sight, improving visibility, practicality and safety. While a 10.25" Digital Cockpit gives you easier viewing over maps and real-time traffic updates. And who needs a charger when you can charge your smartphone simply by placing it in the connectivity box?

Big sounds inspire big moves.

Play 75 million songs ad-free seamlessly with Apple Music built-in, and enjoy the ultimate in acoustic quality provided by Beats Audio®. Wireless Full Link* means that your music syncs automatically as you get in your car. And to search destinations, addresses or media, all you have to do is ask. Say 'Hola Hola' to activate the system while keeping your hands on the wheel, staying fully in control.

Apple Music requires a subscription.

* Full Link enables the use of Apple CarPlay™ and Android Auto™ technologies. Both technologies are the responsibility of Apple and Google, whereby SEAT S.A.U. has no influence on country-specific availability of Apple CarPlay™ and Android Auto™ and therefore the availability of the relevant technology may vary according to country. The functions may be subject to changes to content or may be ceased during the contract period. To avoid distraction, only certified apps can be started during the journey. In this context, please also be aware that some apps are not offered for each of the two technologies. Apple CarPlay™ is a trademark of Apple Inc. Android Auto™ is a trademark of Google LLC.

Connecting you to your car, and your car to the world.

For a life always on the go, SEAT CONNECT puts control over your SEAT Arona at your fingertips. See its location and receive anti-theft alerts on your smartphone. Unlocking your car is as easy as unlocking your screen. Got a Navi System? Find petrol stations or parking prices. You can also send favourite destinations and planned routes from the app to the Infotainment.

Concentrate on what counts.

Less worries, more adventure. Our safety and service technology is designed to keep you and your loved ones safe and stress-free.

- Stuck? Get help right away by pushing the Breakdown Call button for immediate and direct access to our agents.
- Forgetting something? Service Scheduling alerts you when you need to bring your car in for a check-up.
- You're in safe hands. Speak with our Customer Care service who will be there to offer their expert support.

Your Arona in your pocket.

Manage your car from anywhere directly through your smartphone, thanks to Remote Access services.

- Improve your driving performance. Receive Driving Data from your trips, including fuel consumption, average speed and more.
- Out and about? Check up-to-date information from anywhere with Vehicle Status, check whether your doors are locked and lights are off.
- Need to locate your car in a crowded place? Activate Horn and Turn Signals and find it right away.
- The Remote Lock and Unlock feature let you view your car's lock status on your device and lock or unlock from wherever you are.

Your ultimate driving partner.

A Navi system allows you to get the most out of SEAT CONNECT's online features and services, all tailored to make your life simpler and better.

- Be in the know about the road ahead. Take the shortest route according to real-time traffic with route calculation.
- Use the wake-up phrase "Hola Hola" to get things started and simply speak normally. Natural Voice Control has you covered.
- Radio, podcasts or your favourite playlist on demand. Access some of the top streaming services, like Apple Music™ and Tidal™.

Remote Access & Online infotainment service clusters include a free trial period. After this period, in order to keep enjoying the service a renewal is required.

5-star safety.

The SEAT Arona maintains its flawless 5-star Euro NCAP safety rating, five years after first achieving the impressive rating. The Arona comes with a range of safety updates to meet the rigorous testing process, and Euro NCAP's even stricter methodology.

The SEAT Arona has achieved the maximum 5-star rating in the stricter 2022 EuroNCAP safety test.

Traffic Sign Recognition.

See the current speed limits and overtaking restrictions on the Digital Cockpit. All thanks to the integrated front camera.

Side Assist.

An extra eye on your blind spot. You're always aware of incoming cars when changing lanes or overtaking.

Travel Assist.

A little helping hand. Travel Assist monitors your journey using cameras to scan for upcoming traffic, lane markings and curves, adjusting your speed to keep you moving with the flow of traffic.

High Beam Assist.

This system automatically switches headlights between low and high beam when detecting a vehicle ahead, reducing dazzle to other drivers to support safer driving.

Worries behind. Adventures ahead.

Your SEAT Arona is equipped with semi-automatic driving technology to keep you one step ahead of the traffic while also reducing the risk of accidents. Engineered to take the stress out of your ride.

Lane Assist.

The built-in camera keeps you safely between the lines. Ideal for jams and heavy traffic.

Thrills come in all shapes and sizes. Discover which SEAT Arona trim is right for your adventure.

Discover what
drives you.

Enhanced style and performance.

The special edition Marine Pack includes new Calella SEAQUAL® Marine fabric in the seats and LABEL blue by BORGERS® recycled materials in the floors and carpets, as well as new 17" Alloy wheels in Sport Black to enhance aesthetic and performance.

Sustainability comes as standard.

Calella SEAQUAL® Marine recycled fabric and LABEL blue by BORGERS® carpets incorporate waste plastic collected from the sea, enhancing the modern, contemporary style of your Arona's cockpit.

New 17" Sport Black Alloy wheels.

Streamlined and lightweight alloy wheels improve performance and provide smoother suspension and handling. Made for you to get the most out of your ride.

XPERIENCE trim.

Driving ambition
to new extremes.

For the true feeling of freedom and adventure, you've really got to go a little further. A robust, upgraded rear bumper is made to go above and beyond, while the 10.25" Digital Cockpit gives you the tools to fully experience the off-road feeling of the XPERIENCE trim. Uphill battles have never been so much fun.

The finest fabrics.

Choose nothing but the best for your interior. Upholster your SEAT Arona in stylish and durable materials like the SANO textile.

Always different.

Your thing. Your style. Your SEAT Arona. With a choice of Candy White, Magnetic Tech or Midnight Black for your roof, there's nothing you can't make your own.

XPERIENCE trim.

Take on the road.

Get out and go in full confidence. The front grille and front spoiler add to the sporty nature of your SEAT Arona.

You're in control.

The 9.2" screen with Navi floats higher on the dashboard, making navigating even easier and your dash extra stylish.

Environmental information.

Bodywork

Use of ultra-high strength steel, which together with hot stamping technology, permits a reduction in thicknesses and weight without loss of performance.

Renewable and recycled materials

Use of renewable materials (cotton, natural rubber and cellulose) and recycled materials (plastics) in various parts of the vehicle.

Aerodynamics

Optimised design throughout the bodywork, wheels and cooling system improves vehicle aerodynamics.

Lighting

Headlamps are 100% LED and some rear lamps versions include LED technology, reducing significantly power consumption and increasing life and effectiveness of the lamp.

SEAT Eco Drive Profile

ECO mode allows a driving style that modifies engine and transmissions parameters in order to reduce fuel consumption and emissions.

Tyres

Low-resistance tyres provide a reduction in CO₂ emissions.

Manufacturing process

In the period from 2010 to 2022 we reduced the CO₂ emissions per manufactured car by 60.5%, whilst also cutting the energy demand per car by 23.3%. Additionally, we've achieved a 27% saving in water consumption and a 72% reduction in waste generated per car.

In our efforts to minimise single-use plastics, we are reducing the plastic film used on our assembled cars, as well as on the parts and components involved in the manufacturing processes.

Circular economy

We are advancing in several initiatives and actions related to the circular economy throughout the entire life cycle of our vehicles, aiming to be more efficient, minimise waste and reduce our environmental impact.

Move to ZERO, SEAT's environmental mission
